Main show field of lifestyle with the car
The birthplace of the tuning car with
Chinese fashion

Exhibition Overview

GT Show is known as the main show field of lifestyle with the car and the birthplace of the tuning with Chinese fashion. Under the advancement of the related Chinese policies of car tourism and car championship and the guidance to advance tuning consumption in China. The exhibition includes tuning culture and car championship sports, life with the car and outdoors life; Seven vertical and classified markets, such as streetcar tuning, customized business car refit, motorbike, off-road vehicles, racing car sports and car service and cultural and creative shows, are involved. It aims to promote the healthy development of the car culture with Chinese characteristics and displays the lifestyle of “fast and furious, dream and experience, fashion and trend” with the car. Currently, GT Show has already become the outstanding figure among the domestic exhibitions, besides, its area, covering channels, categories, professional audience and media transmission have a certain of advancement.

The GT Show 2021 - Foshan Station held on October 15-17 in Guangdong Tanzhou International Convention and Exhibition Center is the first strategic step of the GT Show to expand its business and it has the largest size and the most international brands throughout the history of the Southern China. We adhere to the concept of “**highly efficient business, fashion and fun in trend**” and provide the exhibitor and car fans with a luxury car culture feast.

In the future, GT Show will continue the resource integration based on the tuning car media advantage to ensure the exhibition effect of the brand owners with the most professional buyers and exhibition team and the most fashion culture to create the trend feast with fun car culture and lifestyles.

The GT Show 2021 in Suzhou covers 8 indoor halls with a total exhibition area of over 100,000 m². The total number of visitors in three days exceeded 158,150; professional visitors accounted for over 41%. More than 23,000 retailers arrived at the show in 3 days. There were 406 exhibitors from all over the world. The number of exhibited brands reached 1,074, and overseas brands accounted for nearly 53%. More than 3,400 modified cars were exhibited both inside and outside doors. More than 150 events were held during the show.
